Again here are 1100 great songs to choose from (But your DJ will bring many more including current hits) Use "x" key to pick songs you want, songs you MUST have, and ones you DO NOT WANT. If you aren't sure either way, just leave it blank. In a hurry? Stick with songs with a "T" in front of them. You can't go wrong, these are the 400 **TOP** songs at our events.

Here's a tip: Most customers choose 30-40 songs they want, including some MUST PLAYS, and a few songs or even a whole type they DO NOT WANT. Most leave the rest up to the DJ's judgement and guests' requests. NOTE!: Don't forget, much of your event will be Dinner music, so out of 60-75 songs, the DJ will only play 30-45 danceable ones. Our FAX # is 800-864-5208, but We prefer email!!!! Please email this back to us ASAP to emailsongbook@yahoo.com. THANK YOU!

After we receive it, the DJ will call to go over all details. PLEASE wait for his call. (list your PH # at the bottom of this Songbook!)
